

Product Description:

- * Customized USA CREE LED >130lm/W, CRI Ra80-93
- * Meanwell LED Drivers, AC90V~305V, PF>0.98, THD<9%
- * Ultra-low luminous decay <5% in 5 years
- * L70>50,000hrs Design lifespan 80,000hrs
- * Oversized passive cooling design for extended lifetime
- * Japan lens, light transmittance of PMMA up to 98%.
- * 10°/24°/38°/60°/90° beam angles
- * Coated with corrosion resistant polyester powder coat
- * Low UGR, Flicker-Free suitable for HD slow motion video
- * Intelligent dimming systems available on request
- * CE, RoHS, and IP65 approved
- * 5 years warranty
- * Designed for stadium and sports field use

38° Lens

Product Specs:

LED	Cree COB	Adjustment	Fixed
Driver	Meanwell	Light Distribution	Direct
Lifetime	80,000 hours	Beam Angles	10°/24°/38°/60°/90°
Electrical Rating	230v AC 50Hz , PF = 0.95	Dimmable	On Request
IP Rating	IP65	Colour Temp	2700k to 6500k
Dimming	On request	Operating Temperature	-40°C - 65°C
Optics	PPMA	Colour Rendering	>80Ra (>90Ra on request)
Dimensions	470x456x104	Luminaire Efficacy	>130lm/W
Weight	1.3 Kg		

Warranty:
